## ONLINE ASSESSMENT AUTHORIZATION FORM

Every child in our program is an individual, with different interests, skills, strengths and needs. Our goal is to get to know as much as possible about each and every child so that we can guide learning and plan experiences that are just right. To do this, we use an authentic, ongoing, observation-based assessment system to gather information on each child's development and learning.

These assessments are housed in the online assessment tool. All of the information will be shared with parents/guardians twice a year. Please sign below indicating your permission to complete these assignments online.
